The 20th anniversary installment of the best-selling series features 18 top-charting hits from a diverse array of this year's GRAMMY-nominated artists and songwriters. "For more than 20 years we have been creating some incredible editions of the GRAMMY Nominees album, which again represents some of the great songs and talented artists that make up this year's remarkable nominees," said Neil Portnow, President/CEO of The Recording Academy. We look forward to another successful GRAMMY compilation."

"We are honored to be joining with The Recording Academy to release this fantastic collection of GRAMMY-nominated performances and songs," said Atlantic Chairman and COO Julie Greenwald. "It's an exciting reflection of the tremendous range of talent that captured the ears of the public and the industry alike over the past year.
