

RECORDING ACADEMY™ STATEMENT ON THE PROPOSED AMENDMENT TO THE MUSIC MODERNIZATION ACT IN THE SENATE

AUGUST 2, 2018

Music industry unity got the Music Modernization Act through the House and it will take that unity to get it through the Senate. The Academy is gratified that the music industry worked through its differences and can work together to pass MMA into law.

ABOUT THE RECORDING ACADEMY

Best known for the GRAMMY Awards®, the Recording Academy is the only organization that exists to champion the voices of performers, songwriters, producers, and engineers. With no corporate members, the Recording Academy directly and solely represents music creators, working tirelessly to protect their rights and interests. From strong representation in Washington, to mobilizing the industry and organizing grassroots movements across all 50 states, we use advocacy, education, and dialogue to raise awareness about pressing music issues, develop policy, and advance key legislation. Our purpose is to give back to music makers by making sure that they're compensated fairly for their work today and have greater opportunities to prosper tomorrow.
